

FIRST VIRTUAL STEPS IN UNIVERSITY OF WARSAW

START IN UW

DIGITAL IDENTITY

To access and use IT systems of the University, you need a digital identity. The basic element is your **CAS account**.

1

Essential tool for academic staff and students. Enables the user to access information about University staff, units, buildings, timetables, grades and more.

USOSWEB

2

MOJE KONTO

Administration staff are assigned additional accounts, e.g. **Konto AD** - details at **Moje konto** (CAS login required)

CAS account provides a way to resolve many matters online.

3

INTERNET

You're using mobile devices? Access the **eduRoam** wireless network. Turn on the WiFi, select the **eduroam** network, use **PESEL@uw.edu.pl** as a login and your **USOSweb** password.

4

University-wide email

Domain:
students - **@student.uw.edu.pl**
staff - **@uw.edu.pl**

University units use also their own email domains.

EMAIL ACCOUNT

5

DONE!

You can now use other IT services! Services offered by Central IT are described at **it.uw.edu.pl**. Services offered by other University units are described on the relevant unit's websites.
